

## Immediate Operands

> Previously, we had, instructions like,

add \$s0, \$s1, \$s2

~~addi \$s0, \$s1, 1000~~

Say u want to add  
1000 to \$s0

We use,

addi \$s0

there has to be  
at least 1 operand  
as a register

addi \$s0, \$zero, 1000
